Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

SPIKE THE BUDDHIST: A NOVELETTE OF CONSCIOUSNESS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Spike the Buddhist is the second book in the Spike short story series. From the hand written note's the author claims that his motor cycle accident and being taken in by Buddhist monks are a real even. Excerpt: I finally left my bed and wandered the halls of the monastery. The walls were an old gray, with pictures of bamboo shoots and writings I guess in Chinese. The monks passed me by all clasping their hands together and bowing. I had this weird feeling of being truly welcomed, not as a guest but actually as one of them. I stopped by a large open window, the hills were green, the men farmed the fields others sat in silent. The peace I felt was an overwhelming quiet before the storm riding. The fear I felt was just as strong because I knew the bliss was only temporary. The little boy ran from man to man laughing about something. Excerpt: A mother swan sailed across the pond with her young, the father not too far behind. The water was calm, clean and clear. Unlike me on the inside. I felt damaged, dirty near desperate for hope. I felt like I was plucked from a horrible life and dropped into a world of beauty but beauty that would only last so long. How odd, my birthday and I am watching fowl with a Buddhist monk. I asked Bubba how do I meditate. He said he did not know since he never seen me do such. Then he fell into a heavy laughter, which scared the swans off. I then asked how one breathes when they meditate and we both laughed. In a quiet voice that was foreign to...
